

BARANGAY PROFILE

KASAYSAYAN NG WELFAREVILLE

Ang malawak na lupain ng Welfareville ay dating pag-aari ng Fabella Family na ipinagkaloob sa pamahalaang Pilipinas bilang isang donasyon. Ang salitang "Welfareville" ay binuo batay sa layuning pagkakagamit ng lupain at ito ay ang maging isang "Isang residential, recreational at repormadong facility for Juvenile Delinquents". Ang sinomang Kabataan na nalilihis ng landas o walang magulang na umaaruga ay dinadala dito upang sila ay hubugin na maging kapakipakinabang na bahagi ng lipunan sa kanyang paglaki.

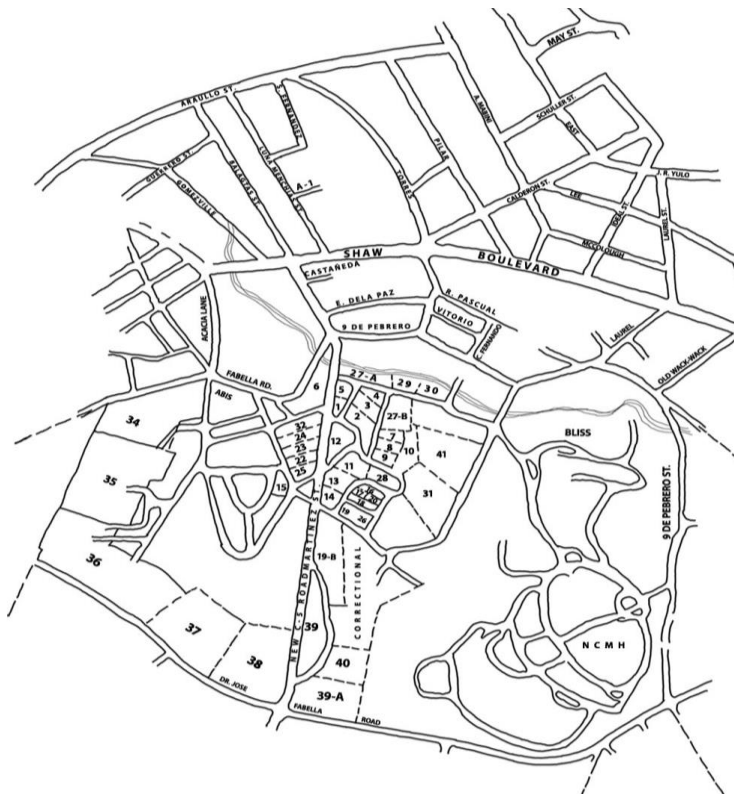

Ang Welfareville ay tinuringan ding "Boys Town" subalit ito ay mas kilala sa tawag na "Lolomboy" isang Institusyon ng Kabataan unang pinamahalaan ni Dr. Jose Fabella sa pamamagitan ng authority na ibinigay sa kanya ni President Leonard Wood ng Amerika at ng ating Commonwealth Government sa pamumuno ni Manuel L. Quezon.

Matapos ipag-utos ni Presidente Ferdinand Marcos ang "Dismantling of all government building" sa Welfareville, ang isang malawak na parte nito ay naging "Temporary Relocation and Processing Center for Vietnamese Refugees" noong 1975, ito ay pinayagan ni Presidente Marcos na maging relocation area for Squatter Families. Simula noon, ang Welfareville ay nagging destinasyon na ng mga "Urban Poor Families" sa Metro Manila at karatig lugar.
